**Resolution of the Lexington Area Metropolitan Planning Organization (MPO)  
Transportation Policy Committee to approve the Request for AMENDMENT # 2  
to amend the following documents:  
2030 Transportation Plan (LRTP) Amendment and the  
FY 2006—FY 2009 Transportation Improvement Program (TIP)  
Wednesday, August 24, 2005**

The Lexington Area MPO, in coordination with the Kentucky Transportation Cabinet, is requesting to amend the 2030 Transportation Plan and the FY 2006—FY 2009 Lexington Area MPO Transportation Improvement Program to add or change the following:

**TIP Amendment #2:** – Preliminary Design and Environmental for the construction of an additional on-ramp lane for US 68 northbound at New Circle Road to add HES funding for the US 68 On-ramp Project.

**Project Location:** US 68 Northbound on New Circle Road – Lexington, Kentucky

**Project Scope:** Preliminary Design and Environmental for an additional on-ramp lane

**Tentative Project Schedule:**

- |                                   |                       |
|-----------------------------------|-----------------------|
| 1. Design: 2005 –                 | Estimated – \$30,000  |
| 2. Right-of-way: 2006 –           | Estimated – \$25,000  |
| 3. Utilities: 2007 –              | Estimated – \$50,000  |
| 4. Construction: 2008 –           | Estimated – \$300,000 |
| Total Estimated Costs = \$405,000 |                       |

**Total TIP Amendment Project Cost:** Preliminary Design and Environmental = \$405,000 (Hazard Elimination Safety – HES).

**Purpose of Project:** To improve safety by increasing capacity and reducing congestion.

**Additional Notes related to the project:**

The design/environmental schedule provided is an estimate and could be affected by a number of factors. The required coordination will be performed to minimize project impacts.
